The operation of Any Blu-ray Ripper Platinum is very simple and easy.

1. Launch Any Blu-ray Ripper Platinum, click " Load BD/DVD or Add to add video files from hard drive

For example, below is a popup window to select the DVD disc after clicking "Load BD/DVD"

2. After loading the movie in Any Blu-ray Ripper Platinum, we can see below: the disc structure will be showed and need to choose the titles or chapters that you want to rip
